I will just happen to be in Fairbanks on the 25th related to another site. I might be able to stop by in the morning for the first half of the meeting. At least for the part on the EPA meeting.

Subject: TPT-Draft Agenda September 25th

Hello team,

Attached you will find the draft agenda for our upcoming TPT meeting, to be held in Fairbanks September 25th.

As usual, we will review and approve the agenda at the beginning of the meeting.

Additional details to the site characterization line item will most likely be added after the SC subgroup meeting on the 18th of September. If so, I will send another version of the agenda out at that time.

Thank you, and I look forward to seeing you all, and the beautiful fall colors, in Fairbanks in a few weeks!

JoAnn
